Town Officers

Moderator, George W. Goodhue.
Town Clerk, Charles A. Brown.
Town Treasurer, Ernest L. Adams.
Selectmen, Charles E. Adams, George H. Fogg, Maurice S. Tuttle.
Collector of Taxes, Charles A. Brown.
Road Agent, Richard B. Harrington.
Overseer of Poor, Wendell D. Crowell.
Health Officer, Wendell D. Crowell.
Common Commissioners, William J. Hayden, William D. Fogg, Charles A. Sheldon.
Water Commissioners, William D. Fogg, Harry M. Sheldon, William E. Putnam.
Library Trustees, Frank Pearson, Annie L. Putnam, Margaret Perry.
Supervisors of Check List, John E. Hadley, Fred C. Eaton, Charles A. Sheldon.
Trustees of Trust Funds, Ernest L. Adams, William D. Fogg, Edson K. Upton.
Electric Light Committee, Edson K. Upton, Ernest L. Adams, William E. Putnam.
Auditors, Karl G. Upton, George W. Goodhue.
Surveyors of Wood and Lumber, Joseph Quinn, Harry M. Sheldon.
Police, Ernest L. Adams; Chief, Wendell D. Crowell; Ernest L. Adams, Constable.
Agent for Town Clock, John E. Hadley.
Cemetery Committee, John E. Hadley, William J. Hayden, George H. Fogg.
Sexton, John E. Hadley.
Memorial Day Committee, Wendell D. Crowell, chairman.

SCHOOL DISTRICT OFFICERS

Moderator, George W. Goodhue.
Clerk, Alice M. Brown.
School Board, Ella C. Ware, Cora F. Otis, William D. Fogg.
Auditors, Karl G. Upton, George W. Goodhue.
Treasurer, Ernest L. Adams.

SELECTMEN'S REPORT

Valuation of town by invoice taken April 1, 1930:

Land and buildings	\$716,180 00	
108 horses	7,830 00	
2 mules	100 00	
171 cows	13,565 00	
61 neat stock	2,850 00	
144 sheep	1,191 00	
7 hogs	190 00	
4281 fowls	5,148 00	
11 fur-bearing animals	175 00

Water Commissioners' Report

Rentals for the fiscal year ending July 1st, 1931 in the amount of \$929.15 have been committed to Charles A. Brown for collection.

We have added one new customer to our list the past year, Robert F. Homan and some additional equipment has been installed on present connections, as well as one service connection renewed for Charles A. Sheldon.

With favorable conditions at the reservoir, the committee was fortunate in completing the installation of the new sluiceway and gate previously authorized by the town. It was constructed by Caughey and Pratt and is of cement eighteen inches square and cannot help being a very important factor in the expeditious and economical cleaning of the reservoir.

While this contract was under way we had a new floor laid in gate house and the superstructure painted. This was followed by a thorough cleaning out of the basin and mouth of inlet.

Financial report follows:

July 10, Caughey & Pratt, sluiceway, new gate and cleaning reservoir		\$474 05
Nov. 17, paid amount appropriated by town	\$350 00	
Jan. 19, paid	105 18	
	<hr/>	455 18
Balance due		<hr/> \$18 87
Jan. 31, William D. Fogg, connections at R. F. Homan's	\$16 25	
William D. Fogg, renewing service at C. A. Sheldon's	17 52	
Jan. 31, William D. Fogg, account cleaning reservoir	10 00	
William D. Fogg, labor on hydrants	5 55	
Harry M. Sheldon, labor on hydrants	9 00	
William E. Putnam, services, phones and supplies	17 20	
William E. Putnam, account new sluiceway	20 00	
William E. Putnam, account cleaning reservoir	11 50	

Respectfully submitted,

WILLIAM D. FOGG

HARRY M. SHELDON

WILLIAM E. PUTNAM

Water Commissioners

Report of Electric Lighting Committee

The lighting system has been extended to Eric Strombeck, E. G. Richardson, Joseph F. Hugron, Albert Jaquith place, Roland Gray, Wallace Hadley, Henry D. Tudor pump house and to the Ernest Wood place, in all approximately two miles at a cost of \$1,477.15.

These extensions have added seven new customers to date.

We have concluded negotiations with the New England Telephone Company for joint ownership in 92 poles on Windy Row line and have received therefor \$414.00 thereby reducing our total investment in the lines by this amount.

Negotiations have been continued with the Public Service Co. of New Hampshire for a contract for service. Following offer from the Company for distribution on a 50-50% basis, your committee strongly felt a more liberal division was warranted, especially in view of the constantly increasing consumption of electric energy which was more evident the first five months of 1930 than ever before.

With this data, and following an agreement to argue our case in a friendly way before the Public Service Commission, a hearing was arranged in Concord, July 3rd, at which arguments were heard pro and con.

It was brought out that the Public Service Company had in mind further reduction in rates in this district which, in their opinion, would prove a material factor in reducing net revenue, and preclude their ability to make a more liberal division of revenue.

In October the Public Service Commission recommended that we had better make a short contract on a 50-50% basis and see how future development of consumption of electricity, as well as the result of lowered rates, worked out.

This advice is being followed, and a final hearing was held in Manchester February 2nd at which we came to a mutually satisfactory agreement for a contract retroactive to January 1st, 1929 and terminating January 1st, 1934. Distribution will be on a 50-50% basis, excepting in case of the jointly owned line to Sargent Camp so called.

For some time, and especially during these negotiations, it has seemed evident to your Committee that it would simplify things in handling the general situation in future if the Town was the sole owner of the transmission lines, of course outside of joint ownership with the Telephone Company. This would eliminate Boston University in part ownership of line to the Camp corner.

This matter has been taken up with the officials of the University, and on January 31st, we made a tentative offer of \$1,000.00 for the interest now held by Boston University in the line from West Peterborough to the camp corner, thence to the camp grounds and the main meter at the pond, with the understanding we would recommend the town at the March meeting to pass a vote to acquire this line for sum stated.

The matter, as far as Boston University is concerned, will doubtless be decided by its Board of Directors before this report reaches you.

Rebates amounting to \$2,450.00 have been received during the year. We expect further rebates for the years 1930 and 1931 soon after the new contract is signed up. We herewith submit a report of the expenditures for the year.

 Overseer of the Poor

Board of Health

To Wendell D. Crowell, Health Officer, Hancock
From State Board of Health, Div. of Maternity, Infancy
and Child Hygiene. Mary G. Hurley, Nurse.
Report for 1930.

At the Child Health Conference, nineteen (19) children were examined. Seven (7) defects were corrected, thirteen (13) placed under treatment and six (6) demonstrations of infant care given.

Home visits were made during the year by State Nurse, Mary G. Hurley, in charge of work in the county.

MEASLES

The town had an epidemic of measles during December and January; there were no serious cases reported but rather unpleasant for those suffering. Just how the measles got started in town is more or less a question; many towns in the state had measles epidemics this year, but no great excitement was caused.

Contagious diseases should be reported to the local health officer at once; in this way an epidemic can be controlled much quicker and easier, making it much better for all concerned.

To date there have been 59 cases of measles reported.

We have examined the accounts of the Treasurer of the Common Fund, Water Commissioners, Electric Light Committee, Town Treasurer, Trustees of Trust Funds, Selectmen, Tax Collector, Road Agent, Overseer of the Poor, Town Clerk and Library Trustees and find them correctly cast and properly vouched. We find a balance in the hands of the Town Treasurer of \$2,029.15; balance in the hands of the Treasurer of the Common Fund of \$18.47; and balance in the hands of the Treasurer of the Library of \$456.76.

GEORGE W. GOODHUE

KARL G. UPTON

Auditors.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

TO THE HANCOCK SCHOOL BOARD:

Without increased cost to the Town of Hancock the present plan of education beyond the sixth grade has offered a greater wealth of educative material and teaching staff than is commonly provided under so-called ideal conditions in large towns.

It is apparent that the citizens of Hancock approve of this linkage with the Keene Normal School, and no comment is necessary. The value of the plan is apparent for this year at least; and it seems wholly probable that for the ensuing year a still greater value will be offered, particularly in the Mechanics Arts Course.

Pupil accounting, such as has been in use for the period of supervision as at present provided, continues. More careful measurements of achievements are always necessary where inexperienced teachers provide the talent for education. Miss Manchester is caring for this need by the use of a still more extensive checking of method and results than was in use in the year previous.

Music and drawing are provided in the lower grades with renewed interest and extended achievement.

The rating of the schools for the past year was recorded as is customary and showed a continuation of the success of the last four years. The High School Department is frequently rated by supervisors directly from the State Board of Education; and the comments, in writing, are reported to the Hancock Educational Association as soon as received by the superintendent of schools.

This makes certain that the School Board of Hancock can assure the parents of children above the sixth grade, as well as in the lower grades, that uniformity of preparation and teaching technique is maintained.

No state aid is now available; in fact, the Town would have to expend on its eight elementary grades approximately \$800.00 more than it is doing to qualify for state aid. Yet the finances of the School Department are in a healthy condition. Nor has there been over-taxation for the support of the grade and high school departments, as a survey recently presented to the School Board for memorandum, plainly shows.

The average membership for the past year was 57. The percent of attendance was 94.8, never before exceeded in records available since 1919. There were 32 pupils in the

High School. Instead of 233 tardinesses as in 1920, there were but 53. One day only was lost from a full 180-day year, and this for approved purposes.

No changes in teaching force occurred during the year. Ten meetings of the Board were reported to the Central Office.

Supervision has been uniformly pleasant in Hancock for the past five years, and the cooperation of parents, Board members and teachers has been one of the contributing factors to the long record of pupil successes.

(Signed) LAWTON CHASE

Hancock, N. H.
February 9, 1931.

REPORT OF THE SCHOOL BOARD TO THE CITIZENS OF HANCOCK

We wish to speak of the playground equipment, which was installed near No. 1 schoolhouse, one year ago. This was the gift of Miss Margaret Perry, to the town, in the Autumn of 1929, and was formally accepted by one of the Selectmen.

The swings, teeterboards, etc., have been much enjoyed by all the children who desired to use them.

Reserve fund, Peterboro Savings Bank	\$1,698 49
Heber J. Davis bonds in Peterboro Nat. Bank	\$2,000 00

Respectfully submitted,
F. PEARSON

REPORT OF LIBRARY TRUSTEES

The trustees of the Hancock Town Library submit the following report:

Library and reading room open Tuesday, Thursday and Saturday from 2 to 5 and 6 to 9 P. M., legal holidays excepted.

There have been 359 charge cards issued, representing 4837 adult and 1612 juvenile volumes, and 927 periodicals taken out.

Realizing that under existing conditions a modern thermostat would be a material help in fuel economy, especially on days when the library is closed, we have, after investigation, purchased a Honeywell thermostat with electrical control.

From practical experience in other plants we have no doubt this expense will justify itself in a short time.

We would call attention to the necessity of use of the reserve fund for current and book expenses.

This will in time reduce the income and so tend to reduce the usefulness of the library.

There should be either a somewhat larger endowment or an annual appropriation by the town.

The following is the list of those who have kindly remembered us with gifts, books and periodicals: Mrs. George E. Bates, Miss Hilda Brown, Mrs. Dorothy Clark, Mrs. and Miss Dickerman, Mrs. Helen F. Fowle, Mrs. Joseph C. Grew, Mr. and Mrs. George W. Goodhue, Mrs. Cynthia B. Hurst, Mrs. Joseph D. Leland, Mr. and Mrs. Arthur J. Morton, Old Home Day Committee, Rev. Frank Pearson, Mrs. Lilla Cabot Perry, Miss Margaret Perry, Miss Dorrice Sheldon, Mr. and Mrs. Foster Stearns, Mr. Louis B. Thacher, Mr. and Mrs. E. K. Upton, Mr. Karl G. Upton, Mrs. Alvah M. Wood, Mr. George W. Woodworth.

Number of volumes reported Feb. 1, 1930	9555
Number of volumes added by trustees	24
Number of volumes required by gift	106
Whole number Feb. 1, 1931	9685
